Many good people have been touched in some way with the organization known as the Masons. The Masonic lodge offers good deeds to the community. They support one another in a true bond of brotherhood. Healing from the detrimental effects of such an ungodly entanglement starts with confession of breaking the first commandment, and then proceeding with confessing the sins of the forefathers. Renuncements at every oath or level or involvement is the next step, and lastly, reclaiming the individual to the lordship of Jesus Christ alone. Break in the

**Name of Jesus all curses, and demand back all that has been stolen through this ungodly union. It is strongly advised that as one walks with an individual who has been involved or whose father, or grandfather has been involved, to always have at least two prayer partners together, as is standard in any prayer session. Also, daughters and wives are encouraged to go through the same cleansing as the actual member.**
